2017 Contact Session Cancellation and Substitution Policy

Cancellations for the 2017 MFSa Contact Sessions must be received in writing two weeks prior to the event. To cancel a registration, please send an email to info@mfsa.net and include "Contact Session Cancellation" in the subject line.

Substitutions are allowed. Please send the name of the original registrant and the name of the person substituting to MFSa one week prior to the event. You may email those requests to the email address listed above. Please include "Contact session Substitution" in the subject line.

If the original registrant has the voting right, a proxy for the substitution needs to be submitted to info@mfsa.net one week prior to the event.

Substitutions without a proxy can also be made on-site at the conference registration desk with proof of payment for an original registrant.

Unfortunately no refunds for cancellations after the dates mentioned above.
